INFORMATION AND INSTRUCTIONS ON REVERSE SIDE

INSTRUCTIONS

PLEASE READ BEFORE COMPLETING THE OTHER SIDE

1. Why is Nash County mailing these forms?

North Carolina General Statutes requires all property owners in North Carolina to list their taxable personal property for the purpose of taxation in January of each year. As a courtesy to the citizens of Nash County, the Assessor's office is notifying our citizens of their responsibility to list property.

2. What if I do not return this form?

A 10% penalty will result, based on North Carolina law, if you fail to return this form completed and signed by January 31st.

3. What am I required to list on this form?

You are required to list any taxable personal property in the space provided on the other side of this form, excluding business personal property or farm equipment used for the production of income which is to be listed on a separate business form. Motor vehicles with current license tags are not to be listed on this form, unless the following is true, they carry a permanent multi-year tag, are registered under the International Registration Plan (IRP) or are vehicles that have been issued three month registration plates at the farmer rate. You will pay the property taxes on regular licensed vehicles when you renew your registration.

The following types of personal property should be listed: Singlewide mobile homes, **doublewide manufactured homes if you are not the owner of the land where the doublewide is located**, boats, jet skis, aircraft, **multi-year tagged trailers**, and any unregistered (untagged) motorcycles, automobiles, trucks, trailers, campers, and motor homes.

Please list the number of dogs you own as of January 1, in the column labeled "Dogs". If the number of dogs printed has changed, please correct with the appropriate number.

If you have any questions or need any assistance in completing this form, please call our office at 252-459-9816 or visit our office any time, Monday through Friday, from 8:00 a.m. to 5:00 p.m.

ADDITIONAL INFORMATION

If your address has changed, please mark through the incorrect address on the front of the tax listing form and write in your current address. Please provide your home and work phone numbers in the appropriate sections in case there is some question about your listing form.

Please be sure to sign the form and return to our office in the enclosed envelope prior to January 31, 2022 to avoid a 10% late list penalty, even if you do not have any changes from last year.
