- e. Compliance with the provisions of Section 3, the regulations set forth in 24 CFR Part 135 and all applicable rules and orders of the Department issued hereunder prior to the execution of the contract, shall be a condition of the Federal financial assistance provided to the project, binding upon the applicant or recipient for such assistance, its successors and assigns. If termination for default is effected by the CONSULTANT or if termination for convenience is effected by the OWNER, the equitable adjustment shall include a reasonable profit for services or other work performed. The equitable adjustment for any termination shall provide for payment to the CONSULTANT for services rendered and expense incurred, prior to the termination, in addition to termination settlement cost reasonably incurred by the CONSULTANT, relating to commitments which had become firm prior to the termination.
 - d. Upon receipt of a termination action pursuant to Paragraphs (a) or (b) above, the CONSULTANT shall (1) promptly discontinue all services affected (unless the notice directs otherwise), and (2) deliver or otherwise make available to the OWNER all data, drawings, specifications, reports, estimates, summaries and such other information and materials as may have been accumulated by the CONSULTANT in performing this Agreement, whether completed or in process.
